CAMDEN  
GPS  
GUIDANCE • PRESERVATION • SUPPORT  
PROGRAM

A HOSPITAL BASED  
VIOLENCE  
INTERVENTION PROGRAM

## ABOUT THE PROGRAM

The Camden GPS program is a hospital based Violence Prevention Program for adolescents and young adults who are victims of assault violence. The program provides individualized outreach through case management, family support and connections to community resources. Our goal is to strengthen family bonds and provide the resources needed to deal with the violence that has occurred and provide youth with the tools to avoid further harm.

## WHO CAN PARTICIPATE

**YOU** – Camden resident's ages 14-24 who have been the victim of a violent assault.

**Made possible by a Grant from:**

The Nicholson Foundation

## PROGRAM TEAM

**Intervention Specialist** – assists victims of violence by helping them access services and programs in the community. Our intervention specialist also serves as a link between participants and various community based organizations that provide job training, mentoring, and counseling.

**"WE WANT TO PROMOTE AND IMPROVE POSITIVE LIFESTYLES FOR CAMDEN YOUTH"**
