Camden Coalition of Healthcare Providers

Eco-Map Template

Instructions: Use this template to document patient relationships with friends, family, and community members/resources. Fill in circles (surrounding patient circle) with names of individuals and/or resources. Connect the patient circle to the resource circles using the appropriate lines as designated in the key. Note if any relationships could be leveraged as possible long-term resource/support for patient post-intervention. (Source: http://www.tidyforms.com/download/ecomap-template-1/page-2.html)
